

European Museum Academy

A EUROPEAN MUSEUM EXPERTISE FOUNDATION

February 6th 2020

Dear Sir/Madam

The European Museum Academy invites students on master level programmes to participate in our efforts to stimulate further development of the museum sector in Europe.

Each of the 30+ European Universities - of which you are one - may contribute with one master paper (max. 50 pages) in English, from which a panel of judges from the European Museum Academy pool of experts will select **The European Museum Academy Master Study of the Year**. *The overall criteria for assessing the master studies is the extent of European relevance and inspiration.*

The European Museum Academy will provide the opportunity to publish the participating studies and will especially promote the selected master study of the year through available channels of our network. The author of the selected master study will be invited to attend the European Museum Academy annual award ceremony and will receive our seal of appreciation on the stage.

We hope you will keep an eye open during the academic year for especially interesting master studies in museology, museum studies or museum education. The deadline for sending us a master study for our panel of judges is **1 October 2020**. The winning master study and its author will be presented at the award ceremony in Timisoara in September 2021.

The master study should be sent to me at the following address:

director@europeanmuseumacademy.eu

Yours sincerely

Henrik Zipsane, PhD
